LinkedIn: www.linkedin.com/in/habeeblah-aberejo-572109179

Career Objectives:

To work and learn with an organization that has a formidable force in her industry with emphasis and career development where I can utilize my skill in building products that will solve real world problems.

To stand out as best at all times in terms of innovation in whatever I do, wherever I go and affecting positively whoever I encounter.

Education:

Lagos State University (LASU), Lagos.   2020- present
B.Sc (In-View) – Computer Science

Igando Comprehensive High College, Igando, Lagos.   2019
General Certificate Examination (G.C.E)

Projects:

Machine Learning / Computer Vision/ NLP
- *Built a ML model using PPO reinforcement algorithm on the AWS DeepRacer.*
- *Built a machine learning model using NLP technique for news categorization.*
- *Worked a working Computer Vision / Machine Learning project to predict objects like cars and counting them on raw image dataset*

HTML AND CSS Course
- *Built https://bheezcreativity.netlify.app and bheez.netlify.app using HTML and CSS with a third-party JavaScript.*

Experience:

Python Developer / Instructor – Linar Limited, Lagos   May 2022 - present
- *Introduce learners to **python** and train them to use tools like **Jupyter Lab, Github & Git, Pandas, Matplotlib, Numpy to handle CSV datasets.***
- *Develop teaching curriculum and provide everyday class material.*
- *Build automation softwares, web scrapping and machine learning model*

Web Development Intern - Terra Sidehustle Hq   June – Aug. 2021
- *Learn and Develop Responsive Websites using HTML, CSS and JS*
- Built live projects using **Github, Netlify** and others

Operations Supervisor / Designer - Bheez Creativity, Lagos   Jan. 2019 - Present
- *Supervisor at a Graphics Design and Printing firm to handle client designs and printing project.*

Production Assistant / Designer - Soatone Nigeria Printers   2020 – Feb. 2021
- *Designed Magazines, Brochures, Book and monitor its finishing at Press.*
- *Create appropriate dummy sheet to aid in layout and imposition during the pre-printing process.*

Tech. Specialist & Facilitator - Adraph Computer Inst., Lagos   2018 – Feb. 2020
- *Organize, maintain and manage the computer department and classroom*
- *Trained computer illiterates and client who are new to Computer.*
- *Design and develop appropriate computer instructional materials and*
- *Perform periodic check on computers and accessories.*

Graphics Design Student - Buqymte Concepts, Lagos   2017 - Nov. 2018
- *Learnt Computer operations and get familiar with Microsoft office and design softwares*

Technical Skills:

- ✓ **Machine Learning, NLP, Regression and Classification, AI, Computer Vision, Pandas**, Matplotlib, Scikit-Learn, NumPy, PyTorch, Tensorflow
- ✓ **Python, C language, SQL, Vesrions Control (Git),** HTML & CSS
- ✓ **DBMS, DSA, Software Engineering,** QGIS, Illustrator, Photoshop. CorelDraw

Certifications / Training	• **AWS – DeepRacer Participation**	June 2023
	Building models using reinforcement learning algorithms like SAC & PPO.	

• **Microsoft | Data Science Nigeria - Training**	June 2023
Building responsible AI models using Microsoft Azure.	
• **Google GDSC – Certificate of Participation**	March 2023
Top 100 participants in SubSahara Africa for Machine Learning Track	
• **Kaggle – Intro to Machine Learning**	March 2023
• **SimpliLearn – Machine Learning Fundamentals**	January 2023
• **Google IT Automating with Python**	August 2022
• **GenZHeckFest2022 Hackathon**	July 2022
• **Hacklab Foundation Hackathon**	June 2022
Certified for qualifying to the final stage	
• **Jobberman Soft Skills Training**	June 2021
• **Google Technical Support Fundamentals**	June 2021
• **Microsoft | Digital Nigeria**	June 2021
• **LofyInc Digital Skills Initiative**	October 2020
*Completed the "**Cloud Service & WWW**" course with 98% score*	
*Completed the "**Computer Basic**" course with 98% score*	

Personal Attributes:

✓ Excellent oral and written communication skills
✓ Effective at utilizing time and other resources
✓ Rapid learner with an aptitude for quick comprehension
✓ Strong research skill to informed decision making
✓ Proficient problem solver and adept at innovative solutions
✓ Adapts to working independently and collaboratively in a team

Personal Information:

✓ Marital status   : **Single**
✓ Sex   : **Male**
✓ Language Spoken   : **English, Yoruba, Arabic**

Hobbies:

✓ Making Research while surfing the internet
✓ Reading and Meeting new people
